

City of Johns Creek GO GREEN GRANT PROGRAM

To promote environmental stewardship & education, the City of Johns Creek invites K-12 students to apply for its Go Green Grant Program!

HOW IT WORKS

K-12 students in Johns Creek can lead and participate in projects that have a positive environmental impact, promote awareness, and provide sustainability education.

ELIGIBLE PROJECT TOPICS

- Water conservation
- Habitat restoration
- Air quality
- Pollinators
- Wildlife protection
- Recycling/waste reduction
- Green energy
- Food systems (gardening or composting)
- Other sustainability or conservation topic
